This Reply responds to the Notification of Missing Requirements Under 35 U.S.C. 371 in the United States Designated/Elected Office (DO/EO/US) dated April 29, 2002 in the above-identified case. A copy of the Notice is enclosed. Applicants request a one month extension of time and include the \$110 fee required for that extension in the enclosed check. With that extension, this Reply is due on July 29, 2002 and is therefore timely filed.

Declaration

Enclosed herewith is a Declaration of the inventor, believed to be in compliance with 37 C.F.R. 1.497(a) and (b). A Power of Attorney is also enclosed.

Sequence listing

A substitute sequence listing in paper and computer-readable form is being sent concurrent with this filing to Box Sequence. The information in the computer readable

form is identical to the paper copy of the sequence listing. This sequence listing introduces no new matter, and entry into the application is therefore respectfully requested.

Fees

Enclosed herewith is a check for \$240, which is the sum of the \$130 fee for the late declaration surcharge + \$110 fee for a one-month extension of time. Applicant believes that no other fees are due. However, if any unanticipated fees are required to maintain the pendency of this application, applicant requests that the fee be taken from Deposit Account No. 01-1785. Also, any overpayments may be credited to that deposit account.

Conclusion

Applicant believes that this submission resolves all preliminary matters and therefore requests examination of the claims. However, if there are any minor unresolved matters preventing examination, applicants request that the PTO contact the undersigned attorney.
